Policy: Professional Staff Orientation

File Code: D-1:3

Adopted: 6/1/94

Re-Code: 10/6/94

The Board of Directors recognizes that an appropriate orientation program can aid in the assimilation of new s members into the school system and can also contribute to continued growth of returning personnel. It will, there be the responsibility of the principal to provide for an annual orientation of all professional staff members.

The orientation of returning personnel will focus upon the changes which have occurred during the previous year and the general goals for the coming year.

Orientation of personnel new to the school system may extend over a longer period of time and will provide a broadly based effort to supply information and background details which will improve the new person's understanding of the district's framework - including policies of the Board, rules and regulations, and the instructional program.
