Policy: Student Activity Funds

Warned: 2/09/95

Adopted: 2/16/95

All funds for student activities, including athletics, shall be deposited with and handled by the school comptroller according to procedures established by the comptroller and approved by the principal.

Student activity funds are under the jurisdiction of the board of directors and are subject to audit.

Any unencumbered activity funds will automatically revert to the school's general fund when a class graduates or an activity is discontinued.

Materials and equipment purchased by student activity funds become school property.
