

Section F

Students

File Code: F-8:2

Policy: Communicable Diseases
Green Mountain Union High School

Date Adopted: 9/22/86

Date Amended: 3/3/05

Students who are diagnosed as having a communicable disease may be dismissed from school, and will not be allowed to return until a statement from a physician is received.

The parent or legal guardian is responsible for providing the doctor's certificate to the school. The decision to readmit the student will be left to the discretion of the school Nurse. If the Nurse decides to readmit the student without the benefit of a doctor's certificate, the Nurse shall indicate such decision in writing and file in student's permanent file.
